Dear Mr. York:

Subject: Underground Injection Control Permit No. UTU-19AP-1C3C2E8  
Notification of Intent to Drill New Extraction Well 43H and New Corehole 44C:  
**DWQ Approval**

On April 2, 2013, the Division of Water Quality (DWQ) received a Notification of Intent to Drill New Extraction Well (Well 43H) and a Notification of Intent to Drill a Corehole (44C). The plans for Well 43H and Corehole 44C have been reviewed and are hereby approved.

Please keep me and Candace Cady updated as these projects progress so that we may observe certain milestones during the drilling process.

If you have any questions about this letter please contact me at (801) 536- 4353 or [wwcampbell@utah.gov](mailto:wwcampbell@utah.gov).

Sincerely,

Woodrow Campbell, P.E.  
Environmental Engineer
